CAMP DESCRIPTIONS

Snap, Edit and Print

Do you want to learn more about photography and how to use your digital camera? This workshop will teach you how to use your digital camera to take better photos. In this workshop we will cover the important aspects of photography such as exposure, camera operations and photo composition. Working with Adobe PhotoShop Elements you will learn techniques for enhancing and correcting your images. This camp will focus on nature and landscape photography as we explore the natural world around us. **(Ages 9-15)**

ABOUT GRIP

GRIP is a Graphic Imaging and Photography Workshop, which explores the world of Photography. Our Goal is to provide enrichment programs in photography to students ages 9-15. Through our workshops, students will unleash their imagination and explore the digital arts. Using digital storytelling and photography, students will empower themselves and unleash their visual voices.
